

INSIGHT LEGAL ACCOUNTS SPECIALIST, COMPREHENSIVE, COMPLIANT

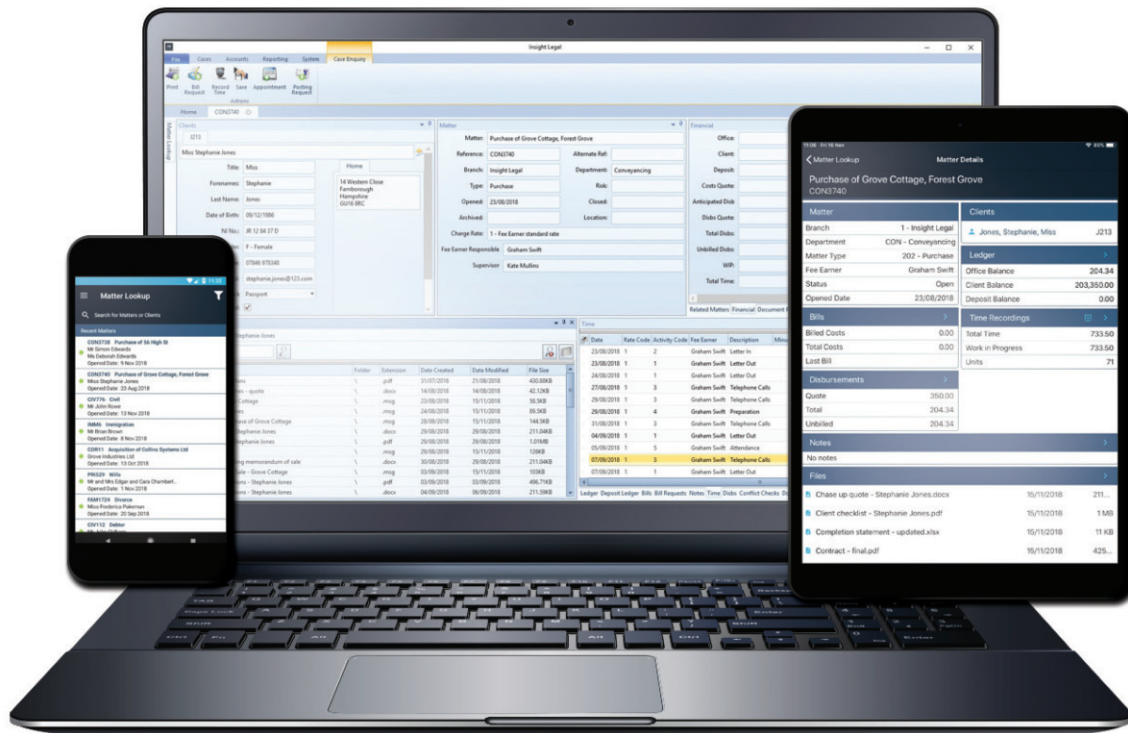

Good financial management is the foundation of any successful business.

For a Law Practice, this means not just managing the accounts of your firm but also the accounts of your Client files.

Law firms need a specialist legal accounts system that meets their specific needs and requirements without compromise.

- Manage your firm's financial performance with detailed reporting and analysis
- Prevent breaches and ensure compliance with the SRA Accounts Rules
- Integrate with HMRC's digital platform for VAT with Making Tax Digital
- Safeguard your practice by complying with GDPR legislation for management of Client records
- Ensure smooth transitions at month and year end with multiple open periods when required
- Benefit from posting routines designed specifically for legal accounting

INSIGHT LEGAL IS A COMPLETE ACCOUNTING SYSTEM FOR YOUR LAW FIRM

- Increase efficiency and reduce risk by managing your business and client accounts in one system
- Streamline your billing processes with straightforward posting routines and custom invoice templates
- Keep on top of your Client accounting responsibilities with in-built compliance checks and reporting
- Manage your firm's finances in the way to suit you with customisable nominal structures and purchase ledgers
- Ensure compliance with SRA Accounts Rules with balance checks, alerts and straightforward reporting
- Manage your cashflow with in-depth debtors analysis, reporting and statement generation
- Maximise staff efficiencies whilst retaining management control by using posting and invoice requests and approvals
- Have matter financial information available at your fingertips with immediate synchronisation with our mobile app
